*WHAT ARE WE*

---

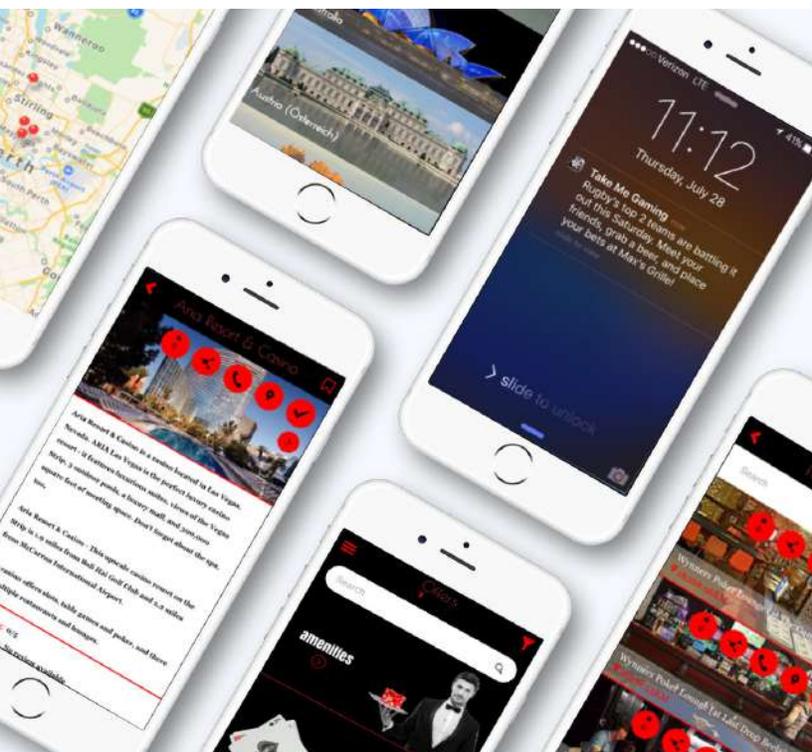

TMG

Take Me Gaming was launched as a way to easily locate all the best gaming destinations in the world. Many of them are famous around the world, and a huge number are local, hometown favorites. A mobile app was launched to accompany the app. It's user friendly style makes it easy to research destinations, and be alerted to local incentives.

# ABOUT THE SITE

WHAT MAKES IT GREAT

TakeMeGaming.com is an easy to use resource to locate all of the establishments in the world that a person can walk into and legally place a bet. The site is broken down by business type (Casino, Tracks, etc.) as well as by countries and regions. The detailed listings are rich with images, and descriptions, as well as GPS directions for mobile users.

# ABOUT THE APP

WHY YOU SHOULD DOWNLOAD

The Take Me Gaming mobil app is an exciting resource that allows travelers to easily explore gaming options in every country where gambling is legal. Push alerts allow users to be informed of offers from properties in a pre-set radius from their phone's current locations.

**BRAD BERGERON / FOUNDER**

After almost a decade working for one of the largest and busiest casino resorts in the southeastern United States, Brad realized it was time to pursue his passions of marketing, technology, and gaming on his own. Take Me Gaming is the result of those passions combined. When he is not working tirelessly, he is traveling, skiing, or relaxing with his wife and two sons.
